NOVEMBER 2025 NEWSLETTER

The **MORE** of *Less*

The cure to being burdened by busy

We've all probably said, "When life slows down, I'll..."—but it never does. Every day we're bombarded with messages telling us to do and buy more, leaving us anxious, cluttered, and exhausted. But what if the secret to a full life isn't adding more, but leaving room? In this series, we'll discover that simplicity isn't loss—it's space for peace, gratitude, and freedom to flourish.

11/2 – The Lie of More - If one is good, more must be better... right? But live long enough in that mentality, and you'll never be satisfied. Discover why saying no isn't loss but space for something better. When we stop chasing more, we make room for meaning and purpose to thrive.

11/9 – The Cure: White Space - Our calendars, closets, and hearts can't breathe because they're packed full. But God does His best work in the margin. Learn how valuing and cultivating white space—rest, stillness, simplicity—restores our souls and makes room for peace to return.

11/16 – Enough Is Enough - Simplicity isn't just having less—it's wanting less. Gratitude grows when we stop chasing more. Discover how decluttering our homes, schedules, and hearts opens us to joy, generosity, and a life filled with purpose.

11/23 – Living Free - If we don't keep up, we'll miss out—or so we've been told. But freedom isn't found in filling every space; it's found in trusting God with the space we leave. Learn to slow down, breathe deeply, and let Him direct your pace toward peace.

THE LEAVE ROOM CHALLENGE

Saying no isn't loss — it's space for something better.

4-Week Simplicity Practice

A simple, pre-holiday challenge to slow down, declutter, and make space for what really matters.

Week	Theme	Challenge	Reflection
1. The Lie of More	Silence & Solitude	Spend 5 minutes a day in quiet with no phone, no noise, no agenda.	What filled the space when you stopped?
2. The Cure: White Space	Sabbath & Rest	Protect one meal or evening this week from hurry—no screens, no schedule.	How did rest change your outlook?
3. Enough Is Enough	Simplicity & Gratitude	Donate, delete, or decline one thing that clutters your life.	What grew in the space you cleared?
4. Living Free	Slowing & Trust	Say no to one nonessential event and use that time to connect with God or people.	How did you experience freedom?
